STUDENT'S COURSE CONTRACT

In exchange for departmental music lessons, I, _____
(Name of student)
agree to pay _____ a fee that we will agree upon before
(Name of instructor)
the first lesson.

I understand that I am expected to attend at least eight lessons to be eligible for a grade of "A," that the expectations have been outlined as to repertoire and skills in the instructor's course contract, and that my grade will depend upon regular attendance, reasonable progress, and sustained practice during the week, as reported to the department chair (UCLA course instructor) by the community instructor.

I have read and signed the waiver of responsibility and understand that there are risks involved in such off-campus activities.

I agree to submit a written evaluation of the teacher at the end of the quarter.
